

# Virtual Walkthrough Protocol

## *For Principals*

*What are your instructional goals for this school year?*

*How have you clearly communicated expectations for instruction to your teachers during distance learning?*

*What do you think are your main barriers to carry out your goals?*

Classroom Observation

REFLECTION QUESTIONS	COMMENTS
• Classroom observed	•
• What subject area is being observed?	•
• Is the teacher following the schedule provided by the district/school?	•
• Is the teacher doing whole group or small group synchronous teaching?	•
• What is the focus of the lesson/topic/skills/standard?	•
• How is the teacher engaging students during the lesson? What tools for online learning is the teacher incorporating?	•
• How is the teacher checking for understanding during the lesson?	•
• What do students have to produce during the lesson to show their understanding/mastery?	•
• What strategies is the teacher implementing to meet the needs of English learners?	
• What type of feedback would you provide to this teacher based on the lesson that we just observed?	•

RECOMMENDATIONS AND NEXT STEPS
