

# Sir Space Dragon's Stream Commissions

## CAA July 5 2021

---

### Availability

⌋-----\*-----⌋

I will only be taking stream commissions if a stream announcement explicitly states so. Announcements will be made on both Twitter and the stream Discord server: <http://discord.gg/USGv9De>.

When I am doing stream commissions, slots will be on a first come first serve basis and taken up during the stream itself. Maximum number of slots per stream will vary based on schedule - I will not be reserving slots for future streams.

### Acceptable Content

⌋-----\*-----⌋

What I will do:

- ✓ Digital pieces of single or multiple characters of any species (humans included)
- ✓ Art for profile pictures, badges or cover photos
- ✓ Scenery backgrounds can be requested with the drawings but do note that I specialize more with abstract backgrounds

What I will not do:

- ✗ Anything NSFW (fetish art, extreme levels of gore, etc)
- ✗ Anything sexist, racist, and/or outlandishly offensive (pro-Nazi messages, etc)
- ✗ Pure, landscape scenery
- ✗ Anything with 4 or more characters in it
- ✗ I will not take on commission types that are listed in my main document but not in the following page (e.g. Artistic Freedom or Full Painting)

FYI, my main terms and conditions are here:

## Commission Instructions

z-----\*

1. As mentioned, stream commissions will be announced on Twitter and the stream server
2. Commission slots are given on a first come first serve basis for whoever drops by the stream. To make the process as smooth as possible, please have these ready:
  - a. A reference sheet for your character, or any artwork you have of said character.
  - b. A general idea of what you want the piece to be like. Remember - nothing too elaborate! I have regular commission openings for that.
  - c. Paypal email account. You can dm me this - I won't ask you in front of every other viewer
3. If I approve your commission request, I will send an invoice immediately and promptly start the requested artwork upon payment unless there is a queue before you. Know that I will complete all paid requests in that very stream.
4. Feel free to ask for adjustments as you watch me work.
5. Once the completed version has been sent to you, you have 3 days to request changes, if any are needed. Minor changes will not cost you extra. Major changes (to my discretion) may cost varying amounts of additional fees.

## Terms and Conditions

z-----\*

*By commissioning me, you are accepting all these terms so please read carefully*

- ⇒ By commissioning me, you agree to all the terms, instructions and prices stipulated in this document
- ⇒ On your end, you can use the completed piece however you want. They can be edited to your liking as well. Just give credit where credit is due.
- ⇒ I reserve the right to upload the piece to whatever galleries I have, and mention the requester behind each piece. This applies to even drafts for your commissions (I will rarely feature those though)
- ⇒ I will not disclose any other kinds of personal information, **and if you wish, I can keep the requester identity anonymous on uploads**

Feel free to contact me if you have further questions!
