

Access Zoom Recordings in Kaltura My Media

Your Kaltura recordings can be found in several places. Go to <https://video.maine.edu/>, click on the guest (or user) icon in the upper right corner and click **My Media**.

Or in your **brightspace** course go to **My Media** under **Tools** section as shown below:

In **My Media** you can upload new videos, share them, publish them etc. The videos recorded with Kaltura Capture or Zoom recordings in the cloud will automatically end up in **My Media** so you don't have to manually upload them.
