

Melrose School - Supply Wish List

Students at Melrose will be provided with the essentials that they need at every grade level. Many families enjoy back to school shopping with their children, so Melrose has created a supply wish list. The items listed are all items that would be helpful for students to have as the year begins. Should you wish to donate these items for use in your child's class they will most certainly be used throughout the school year.

All Grade Levels-

All students will be provided with one set of earbuds for the school year as we are a 1:1 technology district. Many children in the primary grades find that headphones are more user friendly for elementary students. You will see that listed below.
