

## **CERTIFICATE IN TEACHING ENGLISH**

### **ANNUAL COURSE CALENDAR 2025-26**

Please use the annual course calendar below to plan your course of study. Please note the schedule is subject to change.

As we know, the ability to teach online is essential now and will continue to be in the future. Participants will learn techniques in teaching ESL online as well as onsite. Our instructors are well-prepared to give you the best possible online experience. Online learning will be anchored in weekly synchronous video conferencing sessions and asynchronous weekly coursework that can be completed anytime.
