What is the Segment Exam?

The Segment Exam is an exam that covers all of the main concepts from Module 1 Citizenship, Module 2 Foundations, and Module 3 Sharing Power.

How do I complete my Segment Exam 3.11?

1. First, you need a password. The only way to get that password is to contact your teacher.
2. **You have to have ALL of your assignments for Modules 1, 2 and 3 completed with grades you are satisfied with. You CANNOT redo quizzes or assignments once you have completed your exam.**
3. Enter the password for the exam. All three parts will use the same password.
4. **Important: You must complete your exam all in one sitting. DO NOT leave your exam running while you walk away or do other assignments. You can be kicked out of the exam or lose your information. Then your exam will have to be reset by your teacher and you will have to start from the beginning.**

How should I review for my Segment Exam?

1. Organize and review all of your CAP files for Modules 1, 2, and 3
2. Attend the Segment Review Live Lesson Session or watch the recording.
3. You can also [CLICK HERE](#) for the review slides that will be presented during the live lesson.

How do I submit for grading?

1. When you complete your exam, check the box “submit for grading”
2. Click the blue box “submit for grading”

What happens if I do not like my grade? Can I reset it myself like other quizzes?

No. Under special circumstances, the only person who can reset an exam is your teacher. If you think you need your exam reset, contact your teacher. You may be asked to do additional work before the exam is reset.
