**Safety Program**

The Board acknowledges the importance of safety for students, staff and others having business with the District. ~~Safety education, accident prevention and proper supervision are important as protective measures and means to promote a culture of safety awareness.~~ In addition, programs that advocate safety education, accident prevention, proper supervision, and OSHA Regulations are important protective measures and are also a means to promote a culture of safety awareness. The Board directs the Superintendent to form a District-wide Safety Committee to research and assess available programs and make recommendations to the Board for the implementation of these programs.

~~The District will participate in the prosecution of any individual(s) who may disturb any school or school meetings, insult or abuse any school employee or student during the course of the school/work day, or otherwise violate the laws of the State of Idaho regarding school disturbance or individual protection for school employees or students.~~

~~It shall be the Superintendent's responsibility to execute this program. The Superintendent may delegate this responsibility to other staff members.~~
