

Subject: 4x Your clients in a month!

Body: Dear [name]

I'm writing you because of a potential collaboration on a project

At first glance I noticed your social media could be better, but your website is perfect.

Since May I've been working with a client who was in a similar situation as you and I have managed to 4x their YouTube views in just 2 weeks.

[Results images and testimonial]

They went from a thousand to 4 thousand views and I could do the same for you!

Also this is just YouTube, i'm currently running their Instagram, TikTok, Facebook and LinkedIn.

The link below contains a sample of my work for [business name]. I know you'll like it

What do you say, are you in?
