The Way We Were . Barbra Streisand MS= PY=

C Em F Am F
Mem'ries, light the corners of my mind,
Em E7 Am F
Misty water-colored mem'ries
E7 C Am Dm7 G7
of the way we were.

C Em F Am F
Scattered pictures, of the smiles we left behind,
Em E7 Am F E7 C C7
Smiles we gave to one another, for the way we were.

F Em Dm7
Can it be that it was all so simple then?
Em Em7 A7
Or has time rewritten every line?
Dm Dm7 Em
If we had the chance to do it all again,
Cmaj7 F G7
Tell me, would we, could we?

C Em F Am F
Mem'ries, may be beautiful and yet
Em E7 Am F
What's too painful to re-mem-ber,
E7 Am F
We simply choose to forget.

Em F Em F
So it's the laugh ter, we will remember
Em Am Dm7
Whenever we re-mem-ber
C F
The way we were,
Fm C F Cmaj7
The way we were.
