Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

Can-Do Statement:

Part 1: Create
Draw a family tree (yours, another person's, an imaginary family tree…) and include the name of each family member as well as information about each of them.

Part 2: Share

Share your family tree with your classmates, and take notes.
