

Privacy Policy — Trivia Fun

Last updated: June 2026

Trivia Fun does not collect, store, or share any personal data. The app does not require an account and does not transmit any information to us or to third parties.

Your game statistics (such as games played, best score, and best streak) are stored only on your own device. This information never leaves your device and is not accessible to the developer. Deleting the app removes this data.

The app does not use analytics, advertising, or tracking of any kind.

If you have any questions about this privacy policy, you can reach us through the support page listed on our App Store page.
