Where is the comp?

- Check-in and competition: Eagles Rest (upper trailhead/crag parking area)
- After party: Falling Sky Brewing, 1334 Oak Alley, Eugene, OR 97401

Cost:

- WACC members: \$10
- Non-members: \$35 (includes one-year WACC membership)

Rules Overview:

- All teams will consist of two individuals who will be scored together
- Only sends count (climbing a route clean without weighting the rope or gear)
- Both partners on a team do not have to climb the same routes, but...
- At least one member of each team must lead every route. If you don't feel comfortable leading routes outside, this means you should team up with someone who can lead routes and is willing to climb the same climbs that you do!
- Each individual's top 10 climbs will count towards their score (you aren't required to climb 10 routes to be scored for the competition)
- Each route can be scored only once per individual
- If you fall, the attempt results in no score. You must get in the back of the line for the climb (if your partner hasn't yet tried it, they may attempt the climb next, but if another team is waiting on the route, they get to attempt it before your next attempt)
- Be courteous to climbers who are not participating in the comp, they get to climb too!
- You may not try any single route more than three times
- Only eligible routes are in play (see [score sheet](#) for route list). This excludes linkups, specific routes such as *Tripping Without Falling*, *Plug a Jug*, and *You Only Live Twice*, and only includes the first pitch of any multi-pitch routes
- For all multipitch routes, only the first pitch is in play! This includes *Requiem for a Dream* (5.10c), *Razorback* (5.10d), *Cottonmouth* (5.11a), and *Showtime at the Aswallow* (5.11b)
- For routes with extensions, you must climb the extension to the second set of anchors to complete the climb! This includes *Wet Dreams* (5.10c), *By Myself* (5.11a), *Glad to See You Go* (5.11b), and *Rapid Uncontrolled Disassembly* (5.11b)
- Please be a steward to the crag! This includes being conscious of erosion on trails and belay areas. Please set your rope and gear on durable surfaces, and pack out all trash

Safety Rules:

- Helmets are required! There will be lots of people at the crag, and loose rock is aplenty
- Stick clips are allowed, but you may not stick clip above the second bolt on any climb
- If accessing the Sun Deck: please use the Sun Deck approach ramp (hugging the wall) on the way up, and the rappel down *Group Therapy* (the left edge of the Bomb Shelter) on the way down. These two routes are not part of the competition

Divisions (all mixed gender):

- Beginner: routes 5.10d and below (21 routes)
- Intermediate: routes 5.11c and below (23 routes from 5.11a to 5.11c + 21 routes from the beginner division)
- Advanced: routes 5.13c and below (24 routes from 5.11d to 5.13c + 44 routes from the beginner and intermediate divisions)
- You and your partner must enter in the same division

Guidelines for choosing your division:

- If you have recently redpointed 5.12c or above, you should probably register for the advanced division
- If your best recent redpoint is between 5.11b and 5.12b, you should probably register for the intermediate division
- If your best recent redpoint is 5.11a or lower, you should probably register for the beginner division

These are simply guidelines. You may register for whatever division you think is most appropriate given your current fitness level
