Abstract (English Language)

Judul Abstrak font Times New Roman 10, isi font Times New Roman 10.

Objective:

Methods:

Result:

Discussion:

Conclusion:

Key words: Keyword one, keyword two, keyword three, keyword four, keyword five

(Tanpa acuan/referensi, tanpa singkatan/akronim, dan tanpa *footnote*. Isi abstrak maksimal 200 kata)

Abstrak (Bahasa Indonesia)

Judul Abstrak font Times New Roman 10, isi font Times New Roman 10.

Tujuan:

Metode:

Hasil:

Diskusi:

Kesimpulan:

Kata kunci: Kata kunci satu, Kata kunci dua, Kata kunci tiga, Kata kunci empat, Kata kunci lima

(Tanpa acuan/referensi, tanpa singkatan/akronim, dan tanpa *footnote*. Isi abstrak maksimal 200 kata)

Keywords: Keywords maksimal 5 buah

Introduction

Top margin: 4 cm
Right margin: 3 cm

Bottom margin: 3 cm
Left margin: 3 cm

The content of the introduction is the basic thing or the subject behind the writing of the study, written in the font Times New Roman 12.

Method

The content of the study method is the design, research procedures, data collection techniques, data sources, ways of data analysis, and statistical tests. If using Reagent Laboratory, manufacturers and batch numbers please be listed.

Written in times new roman 12.

Result

The contents of the results and discussions are written in the font Times New Roman 12.

The results are not raw data, but data that has been processed / analyzed with established methods. If there are tables and pictures a maximum total of 7 pieces. Tables and figures with numbers, captions and analysis of tables and figures.

Table 1 Table title (Times New Roman 12)

Persalinan	N	%	Times New Roman 11
Persalinan Preterm	1.255	38,54	(Times New Roman 10)
Persalinan Aterm	2.001	61,46	
Total	3.256	100	

Table Description (Times New Roman 9)

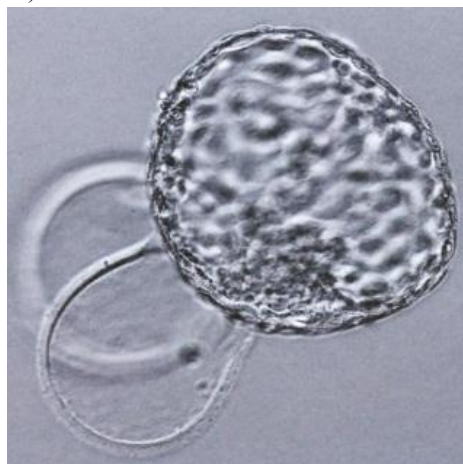

Figure 1 Image caption (Times New Roman 12)

Discussion

Contains a discussion of the results of the Times New Roman 12 research, and does not repeat the discussion of the table. Times New Roman 12 Contains a discussion of the results of the Times New Roman 12 research, and does not repeat the discussion of the table. Times New Roman 12

Conflict of Interest (if any)

If the research is sponsored by an interested party and may affect the results of the research, please include a statement.

Advice and Thanks (if any)

Suggestions and thanks are optional (if any), written one paragraph
Suggestions and thanks are optional (if any), written one paragraph

References

The contents of the bibliography is a reference source / reference that is used as a manuscript writing citation material. Bibliography writing uses Vancouver rules. The number of reference sources used as manuscript bibliography is at least 10, a maximum of 25 pieces, 80% must be the original reference journal of the article (research results). It is recommended to use applications such as: EndNote®, Mendeley®.

Examples of reference writing:
