First Class Adventure completions

Our goal with the First Class Adventure program is to teach your scouts the skills they need to reach the First Class rank. We cover everything from fire building, to water safety. We can't sign off on your scouts requirements, but once they spend a week here in First Class Adventure they will be able to show you the skills and get their requirements signed off in a jiffy! Here are the requirements we work on:

- Scout 4ab, 5
- Tenderfoot 1a, 3abd, 4ab, 7a, 8
- Second Class 1b, 2bcd, 4, 6abg, 8a
- First Class 1b, 5a, 7bcFor summer 2021
- **First Class Adventure will NOT have the 5 mile hike or First Class Aquatics.**

Packing list

The troop does travel in class A uniforms. Please make sure all scouts have their swimsuit, water bottle, enough sunscreen for the week, bug repellent, rainwear (it always rains at least once), masks for the indoors locations, scoutbook. Use the link for a larger version of the packing list. [packinglist-1.pdf \(manypoint.org\)](#). Fishing poles and cots are optional. We will not be bringing bikes due to lack of space for them at the campsite. We recommend scouts pack in a plastic bin to keep all items dry. We have set up camp and torn down camp in the past. We will not be bringing bikes to camp. Scouts may want to bring clothes that can get dirty if they are painting or tie dying. **Please label all items.**

Here is the menu for the week. If you need a lactose free, gluten free, peanut/tree nut free, or vegetarian meal, please let us know and we will make adjustments. We have considerable tree nut and peanut allergies in the troop, so will be keeping camp peanut/tree nut free.

Rules and Policy of camp

BUDDY SYSTEM

Scouts must be instructed to use the buddy system when hiking or exploring around camp and are encouraged to inform their leaders of their plans when leaving their campsite.

TROOP/CREW LEADERSHIP

Two registered adult leaders 21 years of age or over are required at all Scouting activities. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.

All adults accompanying a Scouting unit who are present at camp for 72 total hours or more must be registered as leaders. The 72 hours need not be consecutive. Units are responsible for ensuring adults at camp are registered if at camp for more than 72 hours.

ONE-ON-ONE CONTACT

There is no one-on-one contact between adult leaders and youth members.

CELL PHONES

Phones can be a great way to enhance an outdoor Scouting experience, but they can be a challenge to manage. We recommend phones are ONLY to be used by adults or youth under the supervision of an adult. If scouts are bringing a cell phone, it is recommended that they leave the cell phone at the campsite. There is no place for scouts to charge their cell phones.

VEHICLES AND DRIVING IN CAMP

CAMP SPEED LIMIT

The camp speed limit is 15 MPH. Some places in camp the speed limit is 5MPH. When campers are present one should consider going even slower to ensure the safety of everyone.

PASSENGERS

All passengers must wear seat belts. There is no riding in the back of pickup trucks or anywhere else in a vehicle not designed for passengers.

PARKING

Vehicles should be parked in designated parking areas. There is absolutely no parking inside campsites. Loading and unloading at the campsite is allowed, but we ask that vehicles are moved back to a parking area immediately after. If someone in your troop or crew needs a special accommodation a vehicle may be parked at the campsite and be used to transport that individual around camp. Please contact camp to receive a special use permit to park at your campsite. Due to the number of adults attending and driving, it is likely that some vehicles will need to be parked at the administration building.
