

LETTER TO GOVERNOR SELDOM

**SALT LAKE CITY, FREMONT
2022**

October 21st,

To Governor Seldom,

Today, I received your letter inviting me to a summit in El Paso, Dixie regarding illegal immigration and various other mutual issues for Fremont and Dixie. I was very pleased to read this letter. As a staunch supporter of your gubernatorial campaign, I was very happy to hear of your election yet I have yet to meet with you as Governor. As such, I would like to accept your kind offer.

I will, on my journey to El Paso, as part of my campaign to encourage a more environmentally- conscious American future, be using public transport every step of the way. The exact dates of my leave and return, for security reasons, will not be publicly announced until after the journey is complete.

I look forward to meeting with you to discuss some issues which are vital to the future of our states and of this country. In addition, I hope that the two of us can meet with Governor Pacman of Atlantic soon at the Republican Governors Association Conference in Washington D.C, as well as some upcoming potential GOP candidates for Superior and Greater Appalachia.

Best Regards.
