

Transportation

Busing eligibility is determined by the school district that your student resides in, not Logos Academy. Please contact the school district your student resides in to access their bus form. Please fill out the form and email a copy of the completed form to office@logoshbg.org. Then, we will communicate with the bus company to make transportation arrangements for your student. Busing arrangements DO NOT carry over from year to year. A new bus form must be completed and returned prior to the start of a new school year. If transportation is requested after the start of school, it may take up to a week for arrangements to be made.

- Harrisburg School District (717-703-4000)

If your school district is not listed, please contact their transportation department to determine eligibility.

School transportation in conjunction with after school care is also permissible. Please contact your desired after school program/organization to make arrangements, and notify Logos Academy once arrangements have been made.
