**Bros** production prowess, '***Wonderful Life'*** will undoubtedly resonate with both long-time admirers of **Tina** and a new generation of music lovers.

**Sunset Bros** share that the new single for them *"is a track that resonates with the simple joy of existence. We just wanted people to feel a sense of gratitude and happiness when listening to it, reminding us that life's beauty lies in the smallest moments!"*

**Tina Cousins** is an English singer, songwriter and former model with an emotive voice. She has had five singles in the Top 20 of the UK Singles Chart, both as a solo artist and in collaboration with others, including '*Mysterious Times*' with Sash, which reached #2 in the UK. An artist with global recognition **Tina** has also achieved six top 30 hits in Australia, four Top 30 hits in Sweden, and seven Top 20 hits in Finland and Spain with the likes of *'Pray'*, '*Killing Time*', *'Forever'*, '*Just Around the Hill*' and '*Wonderful Life*'. Having performed around the globe including at Sydney's Mardi Gras Festival, **Tina Cousins** has been non-stop on her journey continuing to release music and dazzle fans wherever she goes. Now dividing her time between Spain, Europe, the UK and Australia to perform regularly, there is no signs of slowing down as she revisits her previous hit *'Wonderful Life'* with a killer new dance version in collaboration with **Sunset Bros**.

From a sold-out Hordern Pavilion and multiple international tours, to tens of millions of streams, hitting the viral charts and now blowing up globally on TikTok, Sydney duo **Sunset Bros** are non-stop on their journey. Developing their unique sound by incorporating elements of hard house, trance, tech house and hardstyle, they have amassed a loyal following of fans not just in Australia, but around the world. From their hit record '*I'm Feeling It'* amassing over 50 million streams across platforms and receiving Gold accreditation in Australia and the UK, to their latest releases including '*Follow Me (Nobody Listens To Techno)*' and '*You Belong To Me*', to '*Get A Life*' on Patrick Topping's imprint Trick, **Sunset Bros** are constantly evolving. Taking their expertise to the stage, the duo's live show is an unforgettable experience with larger than life production, surprise guests and unmatched energy all sprinkled with bangers for hours on end. What other act could bring ChillinIt, Hooligan Hefs and Shannon Noll up onto the same stage in one night. Having recently performed alongside Ben Nicky for NYE in Melbourne and soon to be gracing the stage of Ultra Music Festival, **Sunset Bros** are non-stop on their journey to global dance floor domination.
