Looking for a practical dome pendant light for your kitchen island? This low-profile dome glass shade keeps your space open without blocking your view. Choose clear for an open, airy vibe, or opal white and amber if you'd rather soften the light and eliminate glare. Smooth glass surfaces wipe clean easily. It hangs 16" to 52", so whether it's over an island or a dining table, you won't be stuck with an awkward gap. Sloped ceiling? Doesn't matter; the adapter's included. Three finishes so it fits your space instead of fighting it. Takes standard E26 bulbs — no weird parts required. Pick your shade and finish, freshen up your kitchen or dining space today.

Features:

【Airy Glass Design】Dome-shaped glass adds classic appeal without overwhelming the island or dining room.

【Eye-Friendly Glow】Dimmer compatibility helps reduce glare and flicker, creating a warm, inviting atmosphere.

【Perfect Height Fit】Adjust the hanging downrod from 16" to 52" to suit your kitchen island or dining table.

【Ceiling Flexibility】Sloped ceiling adapter included — works with flat or sloped ceilings.

【Match Your Style】Choose from clear, amber, or opal white glass shades to complement your décor.

【Easy-to-Find Bulbs】The E26 socket accepts standard A19 bulbs up to 60W.(bulb not include)

【1-Year Warranty】Enjoy peace of mind with a full 1-year warranty and customer support ready to help.
