

“After the war in 2020 we had over 2000 young widows in Armenia and over 4000 mothers who lost sons. Along with other dear leaders and friends, we decided to have a camp for mothers and widows of fallen soldiers. There were over 170 who attended camp and afterwards we invited them to join a support group. Our support group currently has about 30 women who meet on a regular basis at least once a month. We talk and eat and drink coffee and care for one another. Each gathering we saw that God was giving them more peace and clarity and helping them to get closer to Him. This Christmas, some attended church for the first time since their loved ones died. We know that there is much more time needed to help them be near to God, but we are on a life-long journey with these women, our precious friends.”
