Two years ago, we visited my grandparents on their farm. It was winter and there was a lot of snow. We didn't go on a sightseeing tour, but we had a lot of fun. We played snowball and made a snowman in the garden. I milked the cows with my grandfather and watered the vegetables in the greenhouse. My grandmother cooked traditional food for us. In the evenings, we played chess and my brother played the guitar. We didn't watch a movie because we talked all night. It was the best winter holiday of my life.
