

Dear Parents and Families:

We're excited to invite you to our upcoming **Bedford Falls Book Fair**, which will be held on **Monday, September 23rd to Friday, September 27th**. Hosted by our library staff, this event is an opportunity for students of all ages to build their home libraries and further their love of reading. As always, all purchases benefit our school.

Our fall book fair will be a familiar and welcome event for our students. Here's what you need to know about the fair:

- Our book fair will be able to accept payment with cash, check, or card, and now kidCredit by Bedford.
 - kidCredit works similarly to eWallet, however, you have the option of donating leftover balance to the TRE Media Center, or having it refunded back to you! For more information, please see the back of this paper!
- **The book fair will be open during Literacy Night on Tuesday, September 24th.**
- Students who are unable to shop with their class due to absences or other reasons will be allowed to shop **Friday, September 27th**. Teachers will not be able to hold on to book fair money sent on days students do not shop, only on their scheduled day, or **September 27th**. Parents are welcome to bring these students before or after school.
- Students who bring in extra money for the book fair, after shopping once, can return **September 27th**.

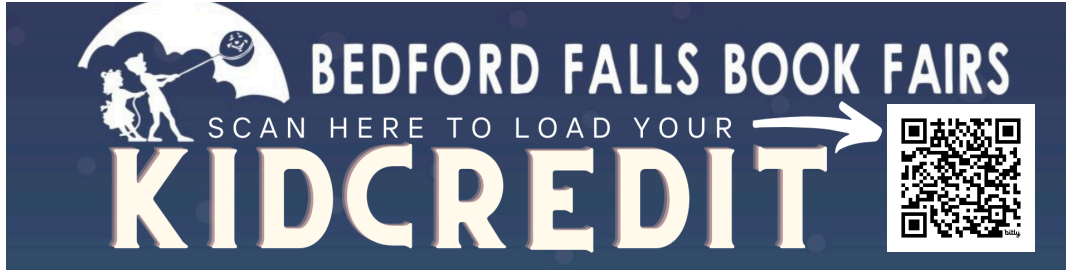

Visit our book fair homepage, or scan the QR below, for up to date schedules of when your students shop, book fair flyers, and more: www.spart5.net/o/tres/page/book-fair

We're excited to celebrate our love of books together at the book fair. Please review the attached book flier to see some of the featured titles at the Book Fair. We look forward to seeing your child there!

Happy reading,

Mrs. Kellie Smith

What is kidCredit?

It is a safe and easy way to provide secure funds for a child to purchase books and related products at Bedford Falls Book Fairs. It is similar to a gift certificate, however, unlike gift certificates issued by other vendors, kidCredit expires at the end of the book fair, and any unused kidCredit will be refunded to the purchaser.

What happens if my child loses (or forgets to bring) their kidCredit certificate to the fair?

Each night, the Book Fair chairperson will receive an updated kidCredit listing for their Book Fair. At the book fair, your child can request their kidCredit from the list.

What information do you collect about my child?

In compliance with COPPA, we collect the minimum amount of information necessary to identify your child. We collect their first name, and the first letter of their last name.

How does Bedford Falls Book Fairs use the information you collect about my child?

In compliance with COPPA, we only use your child's information for the purpose of generating kidCredit certificates. The kidCredit certificate will include your child's first name and the first letter of their last name.

What happens if my child doesn't use all their kidCredit?

At the end of the book fair, any unused kidCredit will be refunded to the purchaser. For example, if you purchase \$25.00 in kidCredit, and your child spends \$15.00 on products at the book fair, you will receive a refund of \$10.00. Please note that refunds may take one to two cycles before they appear on your statement. Bedford Falls may opt to issue you a check in lieu of an electronic refund.

Can I purchase kidCredit using my mobile device?

Yes! The kidCredit site is available on your laptop and desktop computer, as well as mobile browsers on smartphones and tablets.

Do I need to install an "app" on my device to purchase kidCredit?

No. kidCredit is purchased through a secure, mobile friendly website, and no "app" is required.
