

Hello Riverside Students and Families!

Riverside is proud to announce the return of our Riverside School Community Garden as of summer 2023.

Located in between the front playground and front of the building is a vegetable box full of the following from left to right:

Eggplant	Sweet Banana	Yellow Bell	Orange Bell	Sign	Red Cherry	Jalapeno	Large Red	Straightneck
	Pepper	Pepper	Pepper		Tomato	Pepper	Tomato	Squash

Also located to the left of the front door is a planter with sweet mint for making refreshing tea or salads and to the right, a planter with sweet basil, best used for sauces and pasta dishes.

All of this is available to you and your family at no charge.

We started the 2021-2022 school year trying out some new healthy food options and these vegetables were some of the decided favorites.

Please stop by throughout the summer to take what you need/will use.

Our staff will be keeping up with watering and feeding the plants.

Visit Miss Karnik's page on the school website for some delicious recipes to go alongside all of these delicious herbs and vegetables!
