

Race Event Notice

Event: Giant's Ridge
Dates: Sunday, March 3, 2024
Location: Giant's Ridge, Biwabik, MN
Event Sponsors: TBD

Midwest Masters is again adding a Sunday Funday to the Ski Challenge Championships! With no Division racing Sunday, we are adding one two-run Super-G down Innsbruck through the cut and into the Helsinki finish, and a 2-run Slalom down Helsinki. **NO MASTERS LICENSE REQUIRED!** If you're not a Ski Challenge racer, come and make a full weekend out of it by skiing the "King & Queen of the Hel" race on Saturday with The Ski Challenge!

We will switch the SG (40m turns) to a "big GS" in the event of softer snow conditions. This would mean a single set down Innsbruck (27m - 30m turns), finishing in the Helsinki finish. **PLEASE BE PREPARED WITH YOUR SKI SELECTION.** You may use any length ski you wish, however we will not allow anyone on SL skis to ski the SG. We recommend ~200cm skis for strong, larger skiers for SG. For smaller skiers, shorter GS skis will work fine!

Once again this year: we're going to install timing intervals to measure your speed on the SG course.
