

Prepare for Registration

In the Prepare for Registration application students can view their registration status before registration begins for a selected term.

Students can view their Student Status, Academic Standing, any Holds that exist on their account, Registration Information, Earned Hours, Class Standing, and Curriculum.

If there is a green check mark box  next to the status, you are able to register for the selected term.

If this symbol of a red exclamation mark box  appears, you will need to resolve these items prior to registering for the selected term.
