

Math, Science & Technology Community Charter School II

Incoming Kindergarten Summer Assignment Cover Letter

Dear Parents and Guardians,

Welcome to the MaST II community! Every summer, we have all students, returning and new, complete summer assignments for both math and English. Here are some tips for a successful Summer assignment experience:

1. **Ask** any questions concerning the assignment for summer reading. Please email info@mastccs.org with your questions.
2. **Assist** your child in acquiring the appropriate titles for summer reading and the necessary materials for completing the summer reading assignments.
3. **Help** your son or daughter with completing the reading and the summer reading assignments by reading along and exploring books together.
4. **Practice** sight words list.
5. **Help** your son or daughter with their math assignment.

Have a safe and productive summer.
