### Land Acknowledgement

We acknowledge with gratitude, humility and respect that we live and work as visitors on the unceded ancestral territories of the Ləkʷəŋən Peoples now known as the Songhees and Esquimalt Nations. We are honoured to raise our families in the “place to smoke herring” and we are grateful to the Nations for caring for the rich resources and teachings of this beautiful land. We commit to tread lightly and to teach our children to do the same.
