

Paul Jenkins

4-12 Concert Band, Jazz Band, Marching Band, Pep/Field Band

Hello I am Mr. Jenkins. Your friendly neighborhood band director! I teach all bands and all lessons on band instruments here at BG. I love taking new students and expanding the knowledge of my current ones. We offer a large number of opportunities here including: jazz band, marching band, and pep/field band as well as honor bands and community band events during the summer. I am also a professional musician who performs regularly at jazz clubs in Oneonta (the B-Side Ballroom in particular) and in the capital district as an in-demand saxophone and flute player in a

variety of bands and productions including Stormfront; The Music of Billy Joel, and Groovin; a 60-70's Production as the horn section director and performer.
