

Medical Alert

Remember this the next time you have major surgery and need a blood transfusion. This is good to know...

MEDICAL RESEARCH

Medical researchers based at Harwich Hospital, Essex have found

That patients needing blood transfusions may benefit

>From receiving

Chicken blood

Rather than human blood.

It tends to make the men cocky and the women lay better.

Just thought you'd like to know.....

**BLESSED ARE THOSE WHO ARE CRACKED,
FOR THEY ARE THE ONES WHO LET IN THE LIGHT!**

.....OK, I'll be going to my room now.
