School Exam Policy (Shift Forward) in case of cancellation of classes and/or closures due to adverse weather.

If buses are cancelled or schools are closed on an exam day, the exam(s) scheduled for that day will be moved to the next school day. And every subsequent exam also moves forward by one day.

Example: If your Monday exam is cancelled, it happens on Tuesday, and your Tuesday exam then moves to Wednesday, and so on.

Practical example: The Grade 11 Physics exam scheduled for Monday, January 26, will be written on Tuesday, January 27. The Computer exam originally scheduled for January 27 will be moved to January 28. The English exam originally scheduled for January 29 will remain on the same date, and so on.
