Role Overview

Your job is simple: be our College Football 27 specialist who is always in the know, finds the best stuff early, and turns it into Civil.GG quality content and coaching.

You will:

- Create member-only College Football 27 schemes and guides
- Drop weekly META Buster Tips so members always know what to run right now
- Help members inside our Discord
- Optionally, leverage your own audience to bring people into Civil.GG and get paid on them more than you can anywhere else.

You must be willing to MAIN College Football 27.

What You Will Do

Per 1-Month cycle:

- Create at least 1 full College Football 27 scheme for Civil.GG
- Offense or defense (agreed in advance)
- Full video breakdowns plus written notes using our templates
- Tested vs current meta defenses, in online games, and vs Heisman CPU
- Produce 4 Weekly Tips / META Watch pieces
- Short, practical breakdowns (video + quick writeup)
- Focus on “this is winning right now and why”
- Host Discord “office hours”
- Be available in our Discord 5 times per week for 1 hour
- Answer questions, help members run our schemes, give feedback
- Be familiar with the [Civil.GG](#) Content Ecosystem to point Members in the right direction

Optional but encouraged:

- Create public facing content that supports your Civil.GG work
 - Promote Civil.GG to your audience with your tracking link
-

Requirements

- Proven high-level player in recent Madden & CFBs
 - Passion for helping others Win more games
 - Consistently Top 100 level and able to compete with MCS caliber players
 - Willing to MAIN College Football 27 as your primary game
 - Comfortable teaching on camera
 - Clear mic, decent video quality
 - Can explain schemes in a way “casual” players actually understand and use
 - Able to commit consistent time per week (roughly 10-20 hours)
 - Hit content and Discord expectations on time
 - Willing to be exclusive to Civil.GG for paid College Football 27 schemes and member content
-

Nice To Have

- Existing audience on YouTube, Twitch, or Twitter
 - Experience creating content consistently
 - Familiarity with Dynasty or willingness to go deep on it
-

Compensation

This is a deliverable based contractor role.

Base package per 1-month cycle: Up To \$3,000 Base

Includes:

- 2 full Civil.GG College Football 27 schemes
- 4 Weekly Tips / META Watch pieces
- Discord office hours 5x per week

If something is not delivered, pay is adjusted based on what is actually done. Pay is tied to output.
