

Purpose Corner Video Transcript 5/15/23

Welcome to "Purpose Corner" for the week of May 15th, 2023. The West community is an amazing place. I wanted to thank all parents, students, and community members for their support of our West High School staff during our Teacher/Staff Appreciation Week last week. I reached out to the West community in an effort to raise funds for providing a \$10 gift card to each of our 120ish staff members, and you responded with enough for us to provide a little more than double that amount to each staff member!! On behalf of our entire staff, I wanted to say thank you for your appreciation of us and that we are so grateful for your support! West has great things happening which is the result of a collective community supporting each other so once again...Thank you!!! Go Wolverines... WHOOP!!
