
Interested in reaching out about a project? Please read all below

- -Em's rates are \$0.30 per word/\$3 per line and \$10 per song. Em is always willing to negotiate though!
****Paid work is taken into higher consideration then volunteer work. But Em will still do volunteer work****
 - Payment is usually through PayPal however other ways can be discussed
 - No matter what the project, whether it be volunteer or paid, proper credit is ALWAYS required!
 - Please be sure to check that your project doesn't fall under any of the below categories
-

Reject and blacklist -

- Offensive (Saying slurs/phrases or the project is aimed to discriminate against people)
- Hateful projects

Instant Reject -

- NSFW (Sexual NSFW that is)
- Projects having to do with Hell (I also will not play gods/goddesses or demons)

Depending Factors -

- Swearing will be a factor taken into consideration, if words can be changed that's great but if not then heavy swearing will most likely be rejected
 - Having to use the Lord's name in vain; if I can use things such as "oh my gosh" instead I'm totally okay but if I cannot I will turn down the project
