

# ON TOUR WITH JESUS CHRIST

Your task is as follows: you are all tour guides in Palestine. You run a trip that takes visitors to the important places in Jesus Christ's life. In order to attract people to your tour, you must create a Thinglink to advertise your tour. It should include the following.

- A map showing the different places you will go. It should be labeled in such a way that potential customers can look at the map and see what events happened where. An image will be provided with the assignment on eBackpack.
- A description of what happened at each place on the tour and what they might see there.
- Your tour should include at least ten stops along the way. You may go to the same location more than once if more than one event happened there.

Remember that you are trying to sell your tour to people. Make sure as you construct your brochure to do it in a manner that will convince people to choose your tour (and not your classmates').
