

Adena Schools Covid Update 9-7-201

We have a variety of illnesses currently at the building. Overall, we have **167** students absent from the building K-12. We've seen everything from Hand, Foot & Mouth Disease, the traditional kid stomach bug, head colds, and of course, Covid 19. If your child is feeling sick, KEEP THEM HOME. We don't want to take the risk at this point of spreading more Covid.

KEEP WEARING THE MASKS. Quarantines have dropped dramatically.

THANK YOU FOR YOUR SUPPORT AND COOPERATION- Local people solving local problems working cooperatively!
