

Parkstone Periodical

November 2021

FINAL MOWING OF THE SEASON

Our landscape company will do one **final mowing**, this Wednesday, November 24, which should get most of the leaves before the snow flies.

ARCHITECTURAL REMINDER

Before you make any changes to the outside of your home, including painting, reroofing, driveways, fencing, gates, tree removal, etc., etc., you must first submit your plans to the Board for approval before work is started. You received a green folder last year with instructions, colors, forms. The requests should be sent to a member of the Board.

NEW NEIGHBORS

Welcome to our new Parkstone neighbors, **Paul and Cheri Balding** at **12342 Estates Way**.

They moved here from Bluffdale in September and love their new home and neighborhood. They have three children; daughter Amelie (14) and sons, Bailey (7) and Logan (5). Paul owns a metal fabricating company in Bluffdale with Cheri also involved in the business. For fun they love to exercise and travel: especially travel! We are so happy to have the Baldings in the neighborhood and look forward to getting to know them better.

HAPPY THANKSGIVING!!

This is such a great holiday! No need to stress about gifts and decorations. It is just a day set aside to concentrate on gratitude for all the blessings we enjoy, individually and as a neighborhood, city, state, and country. Our families and friends are most precious, our homes and businesses, our church families, and the freedoms that have cost so much blood and treasure from so many through the ages.

With so much division in our country today, we should **concentrate on positive things** we can do to bring love and peace through this coming holiday season. Studies have proven that the simple act of recognizing the things in your life that deserve gratitude improves your life and mental health. Have a wonderful Thanksgiving!!
