Parent Engagement Calendar of Workshops and Meetings 2023-2024

As part of our Parent Engagement Policy (PEP) and plan, Mission Vista Academy values, welcomes, and encourages parent involvement within our school and all elements of your child's education. As such, we have created a series of meetings and workshops to keep you informed about the happenings at our school and trainings to help you be an even better teacher to your child. We invite you to review this calendar of all events frequently as new workshops are constantly being added, and please make every opportunity to attend as often as possible. We look forward to seeing you soon!

MVA has scheduled a bevy of workshops, trainings, and guest speaking events throughout the year. We are hoping that there is something for everyone. We have made a concerted effort to schedule meetings on varying days and times, so as to accommodate as many families as possible. The information, dates, and Zoom links are shared via the Mission Minute. All events are also posted on our [events calendar](#) on the MVA website. For more information or questions, please contact me with questions at lisa.mesa@missionvistaacademy.org or 951-642-3795; Lisa Mesa, Director of School Support or reach out to your HST.
