## **Administrative Regulation**

### **Dress And Grooming**

AR 5132

#### **Students**

In cooperation with teachers, students and parents/guardians, the principal or designee shall establish school rules governing student dress and grooming which are consistent with law, Governing Board policy and administrative regulations. These school dress codes shall be regularly reviewed.

(cf. 0420 - School Plans/Site Councils)

The following guidelines shall apply to all regular school activities:

1. Clothing, jewelry, and personal items shall be free of writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, directs hate toward a group, or sexually suggestive or which promotes the use of alcohol, drugs, tobacco, or other illegal activity
2. Appropriate shoes must be worn at all times
3. Clothes shall be sufficient to conceal undergarments See-through tops and bare abdomens are prohibited

The dress code shall be modified as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstance deemed necessary by the principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education classes, athletic activities, and other extracurricular and cocurricular activities.

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control.

(Education Code 49066)

Students shall be allowed to wear sun-protective clothing, including but not limited to school-authorized hats, for outdoor use during the school day. (Education Code 35183.5)

The Dress Code is a dynamic document. Changes may be made at any time during the school year. Discretion may be used to determine appropriate attire for the classroom by the administration. Students and parents will be notified of any changes through the school bulletin and parent newsletter or other messaging services.

#### **Gang-Related Apparel**

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received. As necessary, the school shall collaborate with law enforcement to update definitions of gang-related apparel.

#### **Uniforms**

Education Code Sections 35183 and 35183.5 authorizes school districts to adopt dress codes.

In schools where a schoolwide uniform is required, the principal, staff and parents/guardians of the individual school shall jointly select the specific uniform to be worn. (Education Code 35183)

At least six months before a school uniform policy is implemented, the principal or designee shall notify parents/guardians of this policy. (Education Code 35183)

Parents/guardians shall also be informed of their right to have their child exempted.

The Superintendent or designee shall establish criteria for determining student eligibility for financial assistance when purchasing uniforms.

Students who participate in a nationally recognized youth organization shall be allowed to wear organization uniforms on days when the organization has a scheduled meeting. (Education Code 35183)
