Date of Incident: 24/03/15
Location(s) of Incident: Twin Pines

Additional Details:

In Twin Pines these weird ruins started appearing.
After the ruins appeared a portal appeared over top of the statue.
Out of the portal came “The Mask” As well as the “Doppelganger”.
The “Doppelganger” was searching for the human with a mark.
It appeared the person with a mark was a SGT in CI whom then got chased down and cuffed by “The Mask”
The “Doppelganger” spoke to us and informed us “he had seen something he shouldn’t of.
At the end of it all the “DoppelGanger” as well as the “Mask” we’re both seen running to the ocean disappearing.
