Entry and building use Instructions: We open the door for ourselves. Staff enter through parking lot doors, and send a text to the main TDLC phone number prior to entering the building. We must text TDLC on our way to the building and after we have exited so their team can operate the alarm and gate effectively. Use the key fob to open the back door. Do not prop open any doors. Have an adult at the front to let girls in. If no one is using the kitchen, food can be set up in there for lunch.
