Behavior expectations for all ITC events are conducted by the [ITC Code of Conduct](#). Basically, we are all adults playing a game, just having fun with it.

- Correct plastic models to represent your ships (can be painted and modified) with bases and pegs.
- Dice, obstacles, templates and range rulers, official damage deck and a pen or pencil (note taking is legal), and any counters, tokens or game pieces you need for remembering stuff.
- Never hurts to bring extra stuff in case something goes missing or someone needs to borrow something
- Correct cards for each pilot and upgrade - can be alt arts if text is legible and infinite arenas if your opponent is ok with setup

What you will need to do:

- If you would like you can join the Dials and Dice discord for prize updates and more event information. This is where the community gives input for the event as well.
