## ***HISTORY***

— **SHE WAS ALWAYS DESTINED TO BE NOTHING BUT THE “LOVE INTEREST,” THE MOTIVATION FOR THE HERO.** her family was poor. both parents worked to support their family of nine children. eleanora grew up viewing her older sister, tennie as a mother figure, a replacement for their mother who worked as a governess for a wealthier family. through her mother’s connection to the hollands, eleanora met their eldest son, maxwell. the two reconnected a few years later with maxwell taking a liking to eleanora. he showered her with roses and chocolates in an attempt to woo her. eleanora shyly accepted the gifts. she was his companion to every social event, the two got to know each other better and eleanora fell head-over-heels for him. maxwell finally proposed to her in the spring, their wedding would be commence that summer. however, maxwell’s older sister and his younger brother were against the union, believing they should keep wealthier blood in the family. unable to convince their brother to leave eleanora, they preyed on her. she was invited to a dinner with the family. eleanora accepted the request, flattered to get to know everyone better. when maxwell left the room, his sister proposed a toast, pouring a special wine for eleanora. she laughed along to the conversations the rest of the night, but her head was throbbing. she stumbled and tripped. although maxwell offered a bed in his manor that night, eleanora politely refused. she began her journey home. at this point, she was delusional. believing a mysterious mansion to be her home. meanwhile, maxwell was worrying about his fiance from the comfort of his home, after learning she refused to carriage, he took after her. finding her in the yard. he embraced eleanora as she fell into his arms. that was where she died. maxwell was devastated over the loss of his love, carrying her corpse back home. her dress was soaked in his tears. but eleanora’s spirit lived on, joining the 999 haunts at the haunted mansion.
