I. Introductions and Welcome

II. United Way Updates (Neiri Carrasco)

- a. United Way – agency facilitating conversations
- b. Bring ideas to United Way, and United Way will help support and find resources
- c. Duane and Neiri will meet to discuss the commitment of the United Way to the group
- d. History of the group. The group is currently meeting to focus on having a summit that can get the whole community supporting ACEs. We were talking about a summit. The group then thought about being trained in ACEs. The ACEs training wasn't able to happen. ACEs said we could develop our own powerpoint. In November, Walla Walla ACEs books were ordered. Group started two years ago. People were meeting because everyone was doing their own thing and ACEs, and they could bring their ideas to the table.
 - i. Success: 25 people trained in Strengthening Families protective framework
 - 1. Paper Tigers and Resilience viewings
 - 2. ACEs presentations across the county
 - 3. How else can we capture the work?
 - ii. This group serves to be a resource to the community

III. Work Group Updates

a. Consultants

- i. YVCF suggested Kitsap Strong
- ii. Susan Martin suggested Dominico Capello (might be able to receive from Healthy Generation for free)
- iii. What are the deliverables of the consultant?
- iv. Group motioned to keep community group meeting monthly, with a leadership team forming in the workgroup with the support of the United Way.
- v. Tory Henderson – Department of Health ACEs consultant. Invite Tory to the next May meeting. Have Tory come and present for 40 minutes about WA work, and then 20 minutes of Q&A. Virginia Mason Memorial has block grant for ACEs work. Other WA counties go to LHJ. Block grant money goes to home nurse. Ask Tory to give us guidance on how to do the work (how did you fund it? Who did you partner with?).
- vi. June meeting have Strengthening Families Protective Framework presentation.
- vii. Take state ACEs emails from Tory and put on Google Drive
- viii. Table consultants until after Tory

b. Investing in Children Coalition

- i. Plug ICC into the ACEs work for invite and stay in communication with them about what they all do and compliment where they can. Investing in Children is focused on readiness to learn: family, school and community. Community Foundation is also funding some ACEs work. Investing in Children is focused in
