

Name: \_\_\_\_\_

Hour: \_\_\_\_\_

## Accountability Form

Event: \_\_\_\_\_

References (Write the name of the provided website used below)

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

**Planning:**

\*Common PLT time: (identify possible out of class work time)

Mods(day/#): \_\_\_\_\_

Write in the group members name responsible for each below:

Create and share the “Group Google Doc” \_\_\_\_\_

Create and share “Thinglink” account \_\_\_\_\_

Thinglink username: \_\_\_\_\_ password: \_\_\_\_\_

**\*Please remember to share your “Group Google Doc” and your Thinglink URL with your T.O.R.**

Sketch of *Thinglink* image and link layout:

**Directions:** How did you contribute to the *Thinglink* event? Put the group members name(s) in the box of the information or material that you/they found and/or put on *Thinglink*.

| Letter of the Question | Found Information | Found Picture | Found/created Audio | Found Video | Put the information, picture, audio, video on <i>Thinglink</i> |
|------------------------|-------------------|---------------|---------------------|-------------|----------------------------------------------------------------|
| A                      |                   |               |                     |             |                                                                |
| B                      |                   |               |                     |             |                                                                |
| C                      |                   |               |                     |             |                                                                |
| D                      |                   |               |                     |             |                                                                |
| E                      |                   |               |                     |             |                                                                |

| Daily Participation Log – write a detailed list of the work you contributed to the project |  |
|--------------------------------------------------------------------------------------------|--|
| Tuesday<br>Nov. 3                                                                          |  |
| Wednesday<br>Nov. 4                                                                        |  |
| Thursday,<br>Nov. 5                                                                        |  |
| Friday,<br>Nov. 6                                                                          |  |

**Directions:** Give yourself and your group members a score based on the work done for the timeline project. Write any comments you believe will help explain why you gave yourself or your group members that score.
