

Testing Log Template

Test 1

Goal (Pick one item to test)	Observations (Should be multiple trials)	Outcome (Did you meet your goal? What did you learn?)	Next Step/Action Steps (What else do you need to learn? What do you need to modify?)

Test 2

Goal (Pick one item to test)	Observations (Should be multiple trials)	Outcome (Did you meet your goal? What did you learn?)	Next Step/Action Steps (What else do you need to learn? What do you need to modify?)

Repeat for as many tests as needed.
