Clowns, And Lastly Pickled Beets.

Powers: God Clown Looney Tune Powers

Weakness: None

This is My Clown Gun and I have Two of Them and I have killed so many Enemies with these Clown Ray Guns and I have just made sure No One messes with Me even though I don't need guns or weapons but where is the fun in that so I pull out these ray guns and have killed so many of My enemies and have won so many battles and made sure My enemies suffer a slow painful death.

My Popcorn Gun that shoots Fire Lighting and Ice Popcorn that has killed so many of My enemies and I made sure none of My enemies have escape from Their deaths when I bust this gun out and I shoot It like Crypto's Deathray Gun in Destroy All Humans games Yup like that and I made sure no one escaped Me.

This is My Mace My Melee Weapon and I have killed so many of My Enemies with this weapon and I can never lose It during combat and I love this Mace and I have struck fear in My enemies with this weapon and I have killed so many Grimm with It and so many White Fang as well and I make sure Adam is struck with fear when I pull It out and I love this Mace.

This is My car and I drive this puppy around and I have killed so many of My enemies with It and have blown up enemy hideouts with ease and made sure They suffered a burning death or being impaled on My cars spikes and also It can morph into a Robot and I have fought bigger Grimm with It even Bigger Robots with It as well and It's unbreakable and can not be destroyed at all.
