Exposure and field visit for problem identification:

Aligning with UNSDGs – A Visit to TADAKANAPALLY

Sustainable Development Goal 8 is about "decent work and economic growth" and is one of the 17 Sustainable Development Goals which were established by the United Nations General Assembly in 2015. The full title is to "Foster sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all." Target 8.3 is: "Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation." To introduce the students to this concept Institution's Innovation Council in collaboration with Entrepreneurship Development Cell of our college has organized A 1-Day Exposure Visit to TADAKANAPALLY, Kurnool on 20th November 2024. As this place is famous for making Processed milk sweet (PALA KOVA) and Onion processing plant, this visit helped the students understand the sustainable economic growth brought by the local Self Help Group women and their commitment in transforming their lives and their community.

Time: 10:00 am to 2:00 pm Date:

20-11-2024

Venue: Tadakanapalli of Kurnool district

Students: 60

Program Objectives:

1. To make the students aware of the rural resources and on how to identify the gaps.
2. To make the students understand the opportunities available in rural areas and on how they can be marketed.
3. To make the students aware of sustainable and inclusive development in rural areas.

Staff in-charges:

- Mr. J. Kameswar Sharma
- DRR. Lilambeswar Singh
- Mr. J. Siva Krishna

Program Outcomes:

1. The students were fascinated to know how a group of rural women would start a food processing unit and supply the finished products to other states.
2. The students felt the visit to onion dehydrating unit and palakova making unit very informative, they were very much interested on the process.
3. The students understood on how the women have formed linkages with suppliers and vendors and their effort towards economic empowerment.
