

STAAR OVERVIEW

The State of Texas Assessment of Academic Readiness (STAAR) is administered annually in the following grades and subject areas:

- Reading, grade 8
- Math, grade 8
- Science, grade 8
- Social Studies, grade 8

- End-of-course assessments for:
 - English I
 - English II
 - Algebra I
 - Biology
 - US History

For more information about the STAAR assessment program, please visit The Texas Education Agency's STAAR Resources page. To view the 2025-2026 Testing calendar, please visit the Texas Education Agency's Student Assessment Testing Calendar.

While Hawkins ISD will schedule STAAR testing to take place on a specific day during the testing window, students who are absent on that day will be expected to sit for the STAAR assessment at any time during the testing window.
