Provide Greater Access to STEM Education to All Students

Aryaman C.

Tutor
San Antonio Math Include

Aryaman is part of the Class of 2022 at Basis San Antonio Shavano. He likes to engage in academic activities such as chess, math, and science. He likes to tutor chess daily at the Parman library and learns coding. His favorite classes are AP Physics 1, AP Computer Science A, and Pre-Calc AB. In his free time (which is very less because of Basis), he plays basketball, tennis, and the drums /percussion outside of school.
