Home of the Jaguars!**

Week of 3/10/25

This is Dr. Lee, Principal at D.S. Johnson, with your weekly call and updates for the week of March 10th.

I hope you have all had a wonderful weekend!

This week will be a full week for our Jaguars.

Monday starts our 45-day stretch to EOGs. Our students are working hard and our staff have developed strategic lesson plans to ensure that our Jaguars are as prepared as possible for their final assessments at the end of the year. With that being said, daily attendance is crucial! We need all Jaguars in the building by 8:00 each day and to stay all day if at all possible. Good attendance is key to academic success! We are entering the final stretch of the school year and we don't want our Jaguars to miss a minute! Their success is important to us and we appreciate your continued support!

Friday, our Brick City Challenge Team will compete at the district level and our 3rd grade students will have the opportunity to go to Edgecombe Community College to see the New York Theatre Ballet. Permission slips will go home on Monday. This will be a great experience for our Jaguars.

Additionally, North Carolina is continuing the Sun Bucks Program this summer. This program provides grocery-buying benefits for qualifying families. To ensure eligibility, your mailing address must be updated no later than this Friday, March 14th. If you have an address change, you must present one proof of residency to our front office. Don't miss out!

As always, we appreciate your support of our Jaguars! At D.S. Johnson, we are Next Level focused!

Have a great evening!!!
