- For the first two weeks, parents are welcome to come into school with students and help them find their lockers. After Labor Day, we ask that you drop off your elementary student in the carpool lane or say goodbye to them at the door. This is both for school safety and to help students grow in their independence. If you do need to enter the building with your student at some point, we will ask that you stop in the office to sign in.

 - Please keep your car in park until ALL students have entered vehicles. A staff member will signal when the carpool line can start moving and exit the parking lot.
- Parking option:
 - Park in the parking lot or on 25th street. (Please try to avoid parking close to the parking lot exit so cars can safely pull out.)
 - Walk up to the sidewalk in front of the main door.
 - Teachers will walk students out through the main door and you can pick up your child on the sidewalk and walk with them back to your car.
- If you have students at both Pine Ridge and South Side/Longfellow we know that pick-up can feel overwhelming. It is our recommendation that you pick up South Side students at Longfellow first as our dismissal is a bit quicker. Then head to pick up the older students at Pine Ridge since their carpool lines time extends longer. Pine Ridge is grace-filled during this time as they know the two locations can make things tricky.
